

Nest Easy Sofa with table

Nest Easy Sofa with table

Three years into the Nest series, a new fundamental piece was added. In fact, the purpose of the Nest sofa came later, as a direct response to the use of the Nest chairs and tables. Clusters of sitting areas needed a signifier for an informal space, and a soft partition from one area to another. Built with quality, the Nest sofa is the anchoring piece in a growing series of upholstered sofas and chairs, serving informal, accessible spaces with a distinctly rounded and sheltering dimension.

With the additional table added, the functionality and versatility is taken a step further.
